

Eagle High Performance PF Premium Series

The perfect sanding medium that will lead you towards a high efficiency operation. Leap into the future with PF Premium Series.

Eagle High Performance PF Premium Series Abrasives utilize a special flexible bonding technology to effectively minimize deep scratches, increase cutting power and deliver the best finish in much less time. These high performance abrasives are available in both Super-Tack and Stickon to satisfy the most demanding job requirements.

FEATURES:

- **SPEED:** Premium abrasive minerals provide faster cutting speed for increased productivity.
- **FINISH:** Flexible bonding minimizes deep scratches and provides a consistent and uniform finish.
- **DURABILITY:** Special treated coating keeps clogging to the minimum and provides cooler sanding, resulting in longer paper life.
